Are you ready to boost your skills and get inspired?  
Look no further than the Avery Academy.

Looking for great insights, tips and tools that can help fulfill the visions of your projects? Then check out the Avery Graphics Academy. It is the first knowledge-sharing program of it's kind in the industry.

The Avery Graphics Academy is an online professional services platform featuring video 'how-to' tutorials and theory modules covering all aspects of vinyl graphics applications. In conjunction with the videos, there are a number of short tests covering the information presented.

So, what are you waiting for? Register now and start to expand your own creative and technical skills across printing, films, application, wrapping and more. To join the Avery Graphics Academy, all you need to do is register online at: [www.academy.averygraphics.com](http://www.academy.averygraphics.com)

Basically, everything you want to know about graphics application and adhesive film is presented to you in a simple, sharp & professional manner, plus it's completely free.

For all your graphic industry needs, please visit us online at [www.ap.averygraphics.com](http://www.ap.averygraphics.com) or contact Customer Service on 1800 888 560 (AUS) and 09 573 0995 (NZ).

The Academy is divided into two sections: Fleet and Architecture, and includes topics such as material selection for specific applications; substrate preparation and cleaning, application techniques (including vehicle and truck wrapping) and maintenance of applied graphics. The videos only run for a few minutes each, but they cover a extensive amount of information in a simple to understand manner.
